

## ANNUAL APPRISE

## That's a wrap...

What a year 2019 has been for ATX-ALTA. With hard work and dedication, the Austin area has accomplished the successful start-up of our very own Lease and Title Analyst Chapter.

In February the Chapter hosted a Meet & Greet along with the unveiling of our new logo.

In April we had Josh Downer from Thompson & Knight LLP come talk to us about Cost Free Royalty.

Jimmy Dupuis from Kean Miller LLP went over Allocation and PSA Wells with us in July.

Damaris Quijano joined us from Houston in October, to discuss the importance of building a virtual data room and what comes with that responsibility.

Such an impressive lineup we were provided with this year. We look forward to the educational opportunities awaiting us in 2020.

ATX-ALTA also hosted a fantastic Holiday Happy Hour in December, announcing the upcoming Board Members of 2020.

A Special Thank You to Our  
2019 BOARD OF DIRECTORS

ATX-ALTA would like to express their appreciation to the 2019 Board of Directors for coming together and forming this Chapter. Their hard work and dedication is highly appreciated.
